ABOUT US

www.atlaspackaging.com.tr

With our large production volume in an area of approximately 7000 m² established in Ankara, we serve every sector at home and abroad, where offset printed cardboard and laminated box packaging are used.

We are working with all our energy to contribute to our country's economy by serving domestic and foreign markets with our strong human resources policy, with our high-tech production lines.

We produce offset-printed and laminated box packaging for every sector you can think of, in short, for Food, Textile, Electricity, Electronics, Automotive, Cosmetics, Chemistry.

Our company, which draws our strength and energy from our customers, employees and experiences, continues its services by adopting the team spirit.

ATLAS PACKAGING will be your solution partner with our advanced technology machinery, production volume and professional team.
